

Duck Creek Macadamias Newsletter

New Harvest Season

The new Harvest Season is upon us. Despite hail storms, flooding and a mini tornado in the Lismore area of recent, our farms have faired well.

We are excited about bringing you more of our buttery, crunchy perfections in an array of your favorite flavours, chocolate coats and raw kernel.

Duck Creek will be working hard to bring you only the best premium quality in all of our products and hope that you enjoy them as much as we do.

All of our jarred products will soon be donning newly designed labels as well as a few new flavours. We are very excited and can't wait to share them with you.

Snack Packs in 100g packets will also be available in late April early May. We would appreciate any expressions of interest from you. Let us know what you and your customers really want.
